

JACKSONVILLE STATE UNIVERSITY

BACHELOR OF SCIENCE IN EMERGENCY MANAGEMENT

The bachelor's program is designed to prepare students for emergency management careers in the public, private, and voluntary sectors. We also offer a minor in Homeland Security, a minor in Public Safety Telecommunications, a minor in Emergency Management, and a micro-credential in Cybersecurity. With a degree in Emergency Management, you will be ready for any community incident, from minor emergencies to major disasters. All courses are offered online.

"The Emergency Management curriculum taught at JSU provided me with the foundational knowledge I needed to start my career in emergency management. The Department of Emergency Management's exceptional relationship with Emergency Managers nearby agencies gave me numerous opportunities to network and create relationships with practitioners who were already in the field."
