ACADEMIC ATTIRE

In 1895, the INTERCOLLEGIATE CODE of the academic costume followed by most institutions was adopted. The Bachelor's gown is distinguished by its pointed sleeves. The Master's gown has closed sleeves with an opening at the level of the wrist to free the hands. The Doctoral gown has bell shaped sleeves and is faced with three velvet chevrons which may be either black or the color of the department that conferred the degree.

The binding of the hoods shows departmental colors as follows:

Arts, Letters, and Humanities	White
Business Administration	Drab
Education	Light Blue
Fine Arts	Brown
Home Economics	Maroon
Law	Purple
Library Science	Lemon
Music	Pink
Nursing	Apricot
Philosophy	Blue
Physical Education	Dark Green
Public Administration	Peacock Blue
Science	Golden Yellow
Social Work	Citron
PhD degree in any discipline	Dark Blue

The hood is lined with the color or colors of the conferring university. The colors of Jacksonville State University are red and white chevron.

At Jacksonville State University, all male graduates wear a black mortarboard cap. The tassel may be black or a departmental color. Female graduates may wear a soft, square-topped, black cap. Doctors may wear a black tassel or a tassel made from gold metallic threads. Faculty members wear the regalia of the university from which they received the terminal degree.

The President wears the regalia of the university for ceremonial occasions. The gown is adorned with a fourth velvet chevron on the sleeve.
