## 9:00 AM CEREMONY

### **Robert Lee Stewart**

*Alumni Speaker*

Robert Lee Stewart (aka Bert Stewart) was born and raised in Anniston, Alabama. He attended public schools, graduating from Anniston High School in 1971. Robert attended Jacksonville State University and graduated in 1975, earning him a Golden Gamecock distinction this year.

Robert was Vice President of the Jax State Student Government Association his senior year and was responsible for entertainment. It was the first year for Mathews Coliseum, and the 1974-75 concert line-up was spectacular. Concerts included Kiss with Special Guest Rush, Billy Joel and Kansas, Rufus with Chaka Kahn, The Charlie Daniels Band, and Buckingham Nicks, a locally popular group that announced at the Jax State show that they were joining Fleetwood Mac.

Upon graduation, Robert was offered a job as a Road Accountant for The Charlie Daniels Band. The first college graduate in the CDB organization, Robert was promoted rapidly and, in 1979, was appointed President of Sound Seventy Productions, promoting over 200 concerts per year. He left the organization in 1983 and went on to pursue other business ventures.

In 1986, Robert pioneered computerized ticketing in Alabama when he created Fastix, a statewide network for the sale and distribution of tickets for entertainment and sporting events. Contracts with Parisian and other retail outlets led to a highly successful venture. In 1991, the Birmingham Chamber of Commerce recognized Robert's efforts, naming him "Small Business Person of the Year." He sold Fastix in 1993 and entered into several other ventures.

Bad business and personal decisions led Robert back to Nashville in 1995. He soon divorced and had the opportunity to reinvent his life in every aspect. Robert found his true vocational calling when he formed Major Commercial Cleaning in 1998 in what was clearly a second career. Clients included the Grand Ole Opry House, Ryman Auditorium, and other iconic facilities throughout Middle Tennessee.

Robert sold Major Commercial Cleaning in 2017 to 4M Building Solutions, where he served as Senior Vice President and helped launch the St. Louis company in the Nashville region. Now a consultant, Robert has been actively involved in the Building Service Contractors Association International (BSCAI) since 2008. He currently serves as Director of Member Advisory, leading a robust mentorship and peer group program.

Robert has been married to Belmont University Professor and Senior Associate Dean Dr. Sarita Stewart for 26 years. They have three children and six grandchildren. The Stewarts are active members of St. George's Episcopal Church in Nashville, where Robert was recently elected to serve on the Vestry board.

## ACADEMIC ATTIRE

In 1895, the INTERCOLLEGIATE CODE of the academic costume followed by most institutions was adopted. The Bachelor's gown is distinguished by its pointed sleeves. The Master's gown has closed sleeves with an opening at the level of the wrist to free the hands. The Doctoral gown has bell shaped sleeves and is faced with three velvet chevrons which may be either black or the color of the department that conferred the degree.

The binding of the hoods shows departmental colors as follows:

<b>Arts, Letters, and Humanities</b> .....	White
<b>Business Administration</b> .....	Drab
<b>Education</b> .....	Light Blue
<b>Fine Arts</b> .....	Brown
<b>Home Economics</b> .....	Maroon
<b>Law</b> .....	Purple
<b>Library Science</b> .....	Lemon
<b>Music</b> .....	Pink
<b>Nursing</b> .....	Apricot
<b>Philosophy</b> .....	Blue
<b>Physical Education</b> .....	Dark Green
<b>Public Administration</b> .....	Peacock Blue
<b>Science</b> .....	Golden Yellow
<b>Social Work</b> .....	Citron
<b>PhD degree in any discipline</b> .....	Dark Blue

The hood is lined with the color or colors of the conferring university. The colors of Jacksonville State University are red and white chevron. At Jacksonville State University, all male graduates wear a black mortarboard cap. The tassel may be black or a departmental color. Female graduates may wear a soft, square-topped, black cap. Doctors may wear a black tassel or a tassel made from gold metallic threads. Faculty members wear the regalia of the university from which they received the terminal degree.

The President wears the regalia of the university for ceremonial occasions. The gown is adorned with a fourth velvet chevron on the sleeve.
