BIOGRAPHIES

10:00 AM CEREMONY

Mr. Loring White

Commencement Speaker

Loring White, a distinguished alumnus of Jacksonville State University, is a visionary business leader, philanthropist, and advocate for higher education. A native of Prattville, Alabama, he brings decades of leadership experience, helping to shape the university's strategic direction and future growth.

Loring's journey at Jax State began in 1974 as a freshman football player, balancing athletics and academics with determination. He earned a Bachelor of Science in Education in 1978, laying the foundation for a career defined by resilience, entrepreneurial success, and a deep commitment to giving back. His path to success was shaped by overcoming personal hardships, including homelessness during his senior year of high school. Thanks to the support of his coach and mentor, he secured a football scholarship to Jax State—an opportunity that transformed his future and instilled in him a lifelong dedication to service.

Following graduation, Loring began his career as an assistant football coach at Jefferson Davis High School in Montgomery, where he helped lead the team to a state championship. Seeking greater professional opportunities in the private sector, he transitioned into sales with Capitol Business Equipment, Inc. (CBE). Starting on a straight commission selling cash registers and typewriters, he worked tirelessly to grow the company. Over time, he acquired CBE and transformed it into a national leader in in-store technology.

In 2021, Loring integrated CBE with Owl Services, a company that has since grown to generate more than \$1 billion in annual revenue, providing advanced point-of-sale solutions and services to retailers and businesses nationwide. Owl Services was formed by combining seven of the nation's top petroleum service, electrical contracting, and EV infrastructure businesses into a single integrated service provider. Loring currently serves on its board of directors.

Beyond his success with CBE, Loring has built a diverse business portfolio, including ownership of a thriving lumber company and Shady Side Farms, a successful cattle operation. His experience and leadership have positioned him as a key advocate for workforce development, higher education initiatives, and business growth in Alabama.

Loring and his wife Debbie share 4 children and 6 grandchildren.

Ethan Collins

Bell Ringer

Ethan Collins is a native of Fort Payne, Alabama, and is graduating from Jacksonville State University with a Bachelor of Science in Emergency Management, a minor in Military Science, and a microcredential in Cybersecurity. A cadet in the university's Army ROTC program, he has served in the Army National Guard for the past five years, participating in a wide range of training operations, including airborne operations. He is set to commission as a Second Lieutenant within the year.

Tierra-Mishael Harmon

Student Vocalist

Tierra-Mishael Harmon is a junior Vocal Performance Major at Jacksonville State. Born into the hustle and bustle of metro Atlanta, Georgia, she spent most of her childhood singing gospel music in local churches. Her love for music inspired her to pursue a degree in voice with hopes of becoming a successful, professional opera singer. At Jax State, she has participated in multiple music ensembles with varying music styles, including the Vocal Jazz, A Cappella Choir, Lyric Theatre, and Gospel Choir. In March of 2023, she joined A Cappella Choir for their debut at NYC's Carnegie Hall, performing John Rutter's Requiem. Additionally, she has performed Handel's Lord Nelson Mass and Gabriel Fauré's Requiem, where she sang as a featured soloist. Tierra-Mishael has also performed in Lyric Theatre's Die Fledermaus, Holiday Inn, and Signor Deluso.

ACADEMIC ATTIRE

In 1895, the INTERCOLLEGIATE CODE of the academic costume followed by most institutions was adopted. The Bachelor's gown is distinguished by its pointed sleeves. The Master's gown has closed sleeves with an opening at the level of the wrist to free the hands. The Doctoral gown has bell shaped sleeves and is faced with three velvet chevrons which may be either black or the color of the department that conferred the degree.

The binding of the hoods shows departmental colors as follows:

Arts, Letters, and Humanities	White
Athletic Training	Sage Green
Business Administration	Drab
Criminal Justice	Midnight Blue
Education	Light Blue
Fine Arts	Brown
Home Economics	Maroon
Law	Purple
Library Science	Lemon
Music	Pink
Nursing	Apricot
Philosophy	Blue
Physical Education	Dark Green
Public Administration	Peacock Blue
Science	Golden Yellow
Social Work	Citron
PhD degree in any discipline	Dark Blue

The hood is lined with the color or colors of the conferring university. The colors of Jacksonville State University are red and white chevron. At Jacksonville State University, all male graduates wear a black mortarboard cap. The tassel may be black or a departmental color. Female graduates may wear a soft, square-topped, black cap. Doctors may wear a black tassel or a tassel made from gold metallic threads. Faculty members wear the regalia of the university from which they received the terminal degree. The President wears the regalia of the university for ceremonial occasions. The gown is adorned with a fourth velvet chevron on the sleeve.
